

**REVIVOR OF OIL AND GAS LEASE**  
(Where Oil and Gas Lease has Expired)

**State:** Texas  
**County:** Tarrant  
**Lessor:** Gateway Public Facility Corporation  
**Lessee:** Vargas Energy, Ltd.  
**Effective Date:** July 10, 2008

On July 10, 2008, Lessor, named above, granted to Lessee, named above, an oil and gas lease (the "Lease") recorded at D208271174, of the Official Records of the county and state named above. The Lease covers the following lands (the "Lands"):

The property described in the deed from State of California Public Employees' Retirement System to Gateway Public Facility Corporation recorded in Volume 15710 at Page 257 of the Real Property Records of Tarrant County, Texas.

Whereas, the Lease and all rights thereunder are now owned and held by XTO Energy, Inc. (hereinafter referred to as "Lessee");

Although the Lease is still within its primary term, the Lease is deemed by Lessor to have terminated and no longer effective due to the failure of Lessee to pay delay rentals in a timely and proper manner. Lessor and Lessee desire, by the execution of this Revivor, to make the Lease effective in accordance with its terms and provisions.

For adequate consideration, Lessor and Lessee recognize, acknowledge, and affirm the validity and effectiveness of the Lease, notwithstanding its prior termination, and Lessor leases, lets, and demises the Lands to Lessee as of the Effective Date on the same terms and provisions as set forth in the Lease.

This Revivor is signed by Lessor and Lessee as of the date of acknowledgment of their signatures below, but is deemed effective for all purposes as of the Effective Date stated above.
